To whom it may concern

Amsterdam, february 2017

I, Mr K.E.J. Dijk, Chairman of the board of the Koninklijke Industriële Groote Club (hereinafter the Club), express with this letter my enthusiasm to the proposal made by Mr Piero Cattarini Esteban, member of the Club, for the organization of an inter-club meeting putting together young members of the Club and other clubs with which the Club maintains reciprocity agreements. The name given to the event has been "Young European Inter-club Weekend" (hereinafter the "Event").

With the aim of achieving a successful organization of the Event, we enable Mr. Piero Cattarini to coordinate the organization of the Event. If he needs any support of the Club's organisation, we will do our utmost to achieve that support.

The Club will fully support the organizing of the Event, and help Mr Esteban to organise it in the best way.
