Le Vice-président

Paris, March 9th, 2018

**Letter of representation in the benefit of M. Armand du Pont de Romémont and
M. Quentin Leblond**

To whom it may concern,

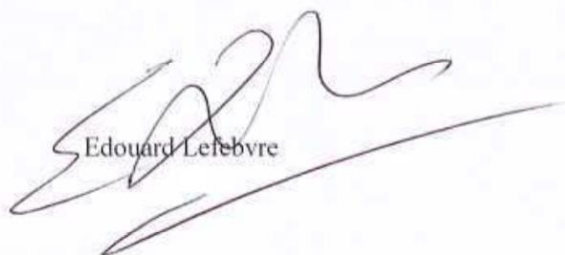

The Automobile Club de France is keen on providing its members with various events. We also develop friendship with corresponding Clubs around the world. With this purpose, we consider with great interest taking part in the Interclub week-end.

In my capacity as Vice President of the Automobile Club de France ("ACF"), and in charge of its Animations and Events, I confirm having empowered Mr Armand de Romémont and Mr Quentin Leblond, members of the Club, with the responsibility to co-organize the ACF participation during the "Young European Inter-Club Week-end" edition in Paris .

They will have to fully coordinate with Bruno Messey, in charge of member's event within the ACF team, and myself, supervising every member's event taking place at ACF.

I am confident that both organizers and participants will be thrilled by this event.

Regards,

Edouard Lefebvre
